De financiering voor de restauratie van dit project is deels geslaagd en er wordt nu gekeken of het project op basis van een aangepaste begroting en een aangepast projectplan kan doorgaan.

De oorspronkelijke begroting voor de restauratie was 800.000,-. Bij het verstrijken van de deadline is € 240.000,- bijeengehaald via crowdfunding, maar liefst 1000. Op dit moment kijken we naar andere manieren om de restauratie toch door te laten gaan. De donateurs van het project zijn op de hoogte gebracht en hebben de mogelijkheid om aan te geven of ze akkoord zijn met dit aangepaste plan. Indien dit het geval is, zal dit project in aangepaste vorm, alsnog doorgang vinden. Hierover zullen we u dan uiteraard informeren.
