The hotel is located just a hop from the sea in the beautiful landscape of coastal southern Sardinia
How to get there

The Hotel Resort Flamingo is located around 35 km from Cagliari, the main city of Sardinia.

Cagliari-Elmas Airport (http://www.sogaer.it/en/) is a well connected and recently renewed local hub.

From the airport some options: rent a car (the best), public transport (a long trip to go), our small coach for clusters of arrivals.
